# PDO Activities

- RIPE PDP documentation

- Archive Update

- Cosmetic Surgery Project: status and update

- PDP implementation and Impact Analysis

# RIPE PDP documentation

- ripe-500 "Policy Development Process in RIPE"
  - Bottom-up process of collaboration
  - Transparency
  - Openness

# Archive Update (1/2)

- 2009-01, "Global Policy For the Allocation of IPv4 blocks to Regional Internet Registries": accepted in August 2010

# Archive Update (2/2)

- In October 2010, ICANN announced that the NRO deemed the global policy proposal abandoned due to differences in the global proposal texts among the RIRs. Hence this proposal, although regionally accepted, will never be globally implemented. The ICANN announcement is available online at:
  - http://www.icann.org/en/announcements/announcement-12may09-en.htm

# Cosmetic Surgery Project: History (1/3)

- RIPE community's requests from RIPE 57:
  - Policies became "patched"
  - Readability reduced

# Cosmetic Surgery Project: History (2/3)

- RIPE 58 announced plan
  - Draft in-house
  - APWG Chairs' confirmation
  - Timeline per documents: 15 working weeks
  - Six policy documents for review
- Project plan and implementation finalised at RIPE 59

# Cosmetic Surgery Project: Implementation

- Draft and discussion documents at:

  – http://www.ripe.net/ripe/updated-documents

- Announcement and discussion on the APWG mailing list

# Cosmetic Surgery Project: Status

- Published the final version of "Autonomous System (AS) Number Assignment Policies", ripe-496 (obsoletes ripe-463)

# Cosmetic Surgery Project: Next Steps (1/2)

- Published the first draft of new IPv6 policies
  - ripe-512, "IPv6 Address Allocation and Assignment Policy"
  - ripe-451, "IPv6 Address Space Policy for Internet Exchange Points"
  - ripe-233, "IPv6 Address for Internet Root Servers in the RIPE Region"

# Cosmetic Surgery Project: Next Steps (2/2)

- Draft of ripe-302 "Policy for Reverse Address Delegation of IPv4 and IPv6 address space in the RIPE NCC Service Region".

# PDP: New Video (1/2)

- www.youtube/ripencc

- http://youtu.be/-LfrRjQUomc

# PDP: New Video (2/2)

# Impact Analysis & Policy Implementation (1/3)

- Impact Analysis: coordinated RIPE NCC staff assessment on the policy proposal:
  - Understanding
  - Registry and addressing system
  - RIPE NCC operations/services
  - Legal
  - Relevant RIPE NCC department activities

# Impact Analysis & Policy Implementation (2/3)

- Sample cases
  - 2010-06: RIPE Database
  - 2011-03: clarification issues

# Impact Analysis & Policy Implementation (3/3)

- Sample cases (continued)
  - 2011-01: extended Impact Analysis
  - 2006-05: clear direction from the community
